

Greetings,

The Track & Field|Cross Country program at Franklin Pierce University is searching for special supporters and sponsors to help continue the success it has seen in over the past two seasons. Through just its sophomore campaign, the cross country team peaked at 19<sup>th</sup> in the nation, while earning a trip to the national championship meet. In all, 28 student-athletes have earned USTFCCCA All-East honors, 3 student-athletes have earned Academic All-America laurels and 3 times the team has been recognized with the National All-Academic award. Many of these accomplishments would not have been possible without the rousing support from people who believed in us. Now, enclosed one can find four new unique ways a business or individual's support will directly influence the trajectory of future Ravens.

The 2014-15 school year will be another incredible stepping stone towards national prominence for the young Ravens. Not only will Franklin Pierce play host to local road races, two collegiate cross country invitationals, multiple cross country/track meets on our course for nearby Conant High School, but the program has also been selected as the host site for the 2014 Northeast-10 Conference Championships. Also of note, Franklin Pierce has submitted a bid to be the host institution for the 2014 NCAA East Regional Championships, with what would also include an additional home invitational this fall. It is our program's aim to not only support our own athletes, but to make these events as great as possible for all involved!

With these new exciting developments comes a tremendous opportunity for a supporting business or individual to not only help these events be successful, but to allow for others to recognize your sponsorship of our program.

We invite you or your business to become part of our team!

Yours in running,

-Zach
